Hooked On School Days

Montreal, February 13, 2023 – The English Parents Committee Association (EPCA) is pleased to underline the importance of Hooked On School Days taking place February 13– 17, 2023.

The Hooked On School Days campaign is intended to remind our dedicated students, parents, and educational community stakeholders that they are all indispensable in insuring student success as we work together to surpass the outstanding graduation rate in English School Boards.

“On the heels of what we have been through the last 2.5 years with the pandemic, it is evident more than ever that we must work together to ensure educational success. This week highlights the importance of teamwork as we focus on supporting our children,” said EPCA President Katherine Korakakis. “Of course, educational success is not measured in one-week. It is our important daily commitment to our children that sets the stage,” concluded the President.

Please consult your local School Board websites or social media for details on all the activities being held this week across Québec.
